

Declaration from His Majesty's Office.

State of Caution

The Kingdom of Gradonia is now under a State of Caution. Due to the recent confirmation of the Severe acute respiratory syndrome coronavirus 2 in the United States' state of Texas, a State of Caution s declared on the authority of the king. Furthermore, diplomatic communications to other recognised states are to be issued to alert them of the development and request that any citizens said states have in the region are notified.

As part of the State of Caution, political campaign events, flyer distribution, and physical polls are suspended. All parties, candidates, and sponsors are asked to hold telecommunications meetings until further notice.
